Children benefit from learning memory work. They take the memorized Scripture passages, hymn stanzas, and catechism sections with them for the rest of their lives.

For that reason, teachers are encouraged to plan the use of the memory treasure files on this CD.

You may decide to create your own memory treasure booklet for each set of lessons or for an entire year. Or you may decide to hand out individual memory treasure sheets at the end of each class period.

The parent-child connection is an important emphasis of the Christ-Light curriculum. Whether you prepare booklets or individual memory treasure sheets, sending them home with the students promotes that connection.

Memory treasure audio CDs are also available:

Memory Treasures: Hymns

Memory Treasures: Passages

Each is available in two versions: a teaching CD with vocals or accompaniment alone and a take-along CD for home use.

These CDs present the truths expressed in the hymns and the Bible passages through music. Because many children find it easier to memorize hymns and Bible passages when they sing along, the audio CDs are great tools to aid in memorization.
