Evangelical Heritage Version (EHV)

This new translation will feel both fresh and familiar to you as you page through Scripture. The readable style will help you understand what God is revealing to you through his Word.

Translated faithfully from the original Greek and Hebrew, the EHV proclaims the gospel of salvation through faith in Jesus Christ. The expressions, imagery, and style of the original texts are all there, giving you a complete picture of God’s grace and mercy for a lost human race.
