I am the light of the world.
Whoever follows me will never walk in darkness,
but will have the light of life.

John 8:12
(NIV 1984)
When Tony’s teacher asked how people come to faith, Tony said, “The Holy Spirit creates faith in people as he works through the saving Word of God.” Find and circle his words. When you have found them all, color the shapes in which you have circled words. You will find a very special picture.
Come, Holy Spirit!

Listen to each sentence. If it is true, color the flame. If it is not true, do not color it. In each big flame, draw something you want people to know about Jesus.

1. Pentecost took place one hundred days after Jesus went back into heaven.
5. God the Holy Spirit gave the believers power to share God’s Word with others.

2. The believers heard the sound of a roaring wind even though the wind wasn’t blowing.
6. On my own I can believe in Jesus and tell others about him.

3. The flames like fire hurt the believers just a little.
7. God the Holy Spirit does not come to people anymore.

4. God the Holy Spirit gave the believers the ability to speak in languages they had not known before.
8. My faith and my ability to share my faith are gifts from the Holy Spirit.
God’s Word in the Lesson
Number the sentences in the order in which they happened. One has been done for you!

___ There was a sound of a roaring wind.

___ Many people heard the believers talk about God.

___ The believers were waiting for the Holy Spirit.

___ It looked like flames of fire were on the believers’ heads.

God’s Word in My Life
Print the first letter of each word in the blank.

\[
\begin{align*}
\text{ Tooth } & = 1 \\
\text{ Apple } & = 2 \\
\text{ House } & = 3 \\
\text{ Ice Cream } & = 4 \\
\text{ Flower } & = 5 \\
\end{align*}
\]

Now print the answer to number 1 in the flame marked 1. Do the same for the other numbers.
