I am the light of the world.  
Whoever follows me will never walk in darkness,  
but will have the light of life.

Jesus took care of his disciples during that terrible storm, and he watches over you too. Do the following activity to find a special, comforting message from Jesus.

Cut out the little squares on Copy Master 5.2. Match their numbers with the ones below and glue the squares onto the correct boxes.

Then cut out the picture of Jesus and the heart (one piece) from this page.

Punch holes in the circles near the top of the heart and add a loop of yarn. Hang the picture on the doorknob of your room at home to remind you that Jesus always watches over you.
Other ideas for your doorknob hanger:

• Decorate your doorknob hanger by coloring it with markers, crayons, or colored pencils.

• Cut a larger heart out of red construction paper. Glue the heart with Jesus’ picture and message onto the red heart to make it look nicer and last longer.

• Use this project as a wall hanging instead of a doorknob hanger.

• Make one of these “heart messages” for someone who is sick or in the hospital. It will remind that person to trust Jesus for help in times of trouble.

Even though he's God's own Son.

Then our life preserver, Jesus.

Now we're safe inside his life.

Sus, boat came and took our sins away.

Where there's room for everyone.
